

COLLECTION

FUTURA

Taste every day

Characteristic intersecting lines on the shiny white fronts in the FUTURA collection add dynamics and futuristic tone to the furniture. The wide range of shapes allows for an interesting arrangement of different sized interiors.

Well equipped

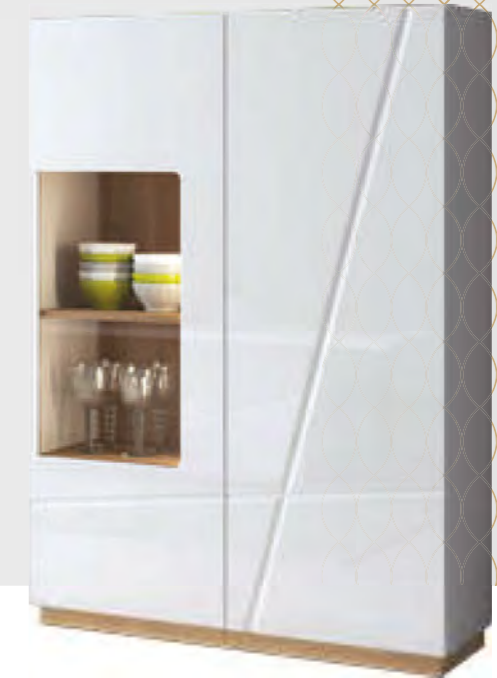

The capacious, three-door chests of drawers and the wardrobe will provide a lot of storage space.

The SOFT CLOSE and PUSH TO OPEN systems ensure comfort of usage, and the fold-out table will help you organise gatherings with your family and friends.

Subtle mood

The insides of the showcases, made from wood-like decor, are fitted with energy efficient LED lighting, emphasising the charm of the decoration.

Exceptional fronts

The lustrous white fronts are warmed up with wood-like decor. The furniture fronts, made from durable MDF boards, are embellished with subtle intersecting lines.

The handleless drawers and doors are fitted with the convenient PUSH TO OPEN system. The SOFT CLOSE hinges ensure quietness of usage.

BEDROOM

FUTURA

The magic of pure connections

With the FUTURA collection you will arrange an elegant, modern bedroom, in line with the latest trends.

Complementary elements in the collection are the bedside table with two drawers and the capacious chest of drawers.

COLLECTION

FUTURA

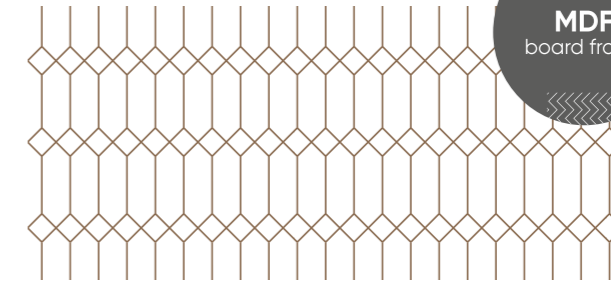

One hall, many needs

Modern elegance

No-handle fronts with an asymmetrical cutter give the collection a modern and distinctive character. The furniture are opened with the push to open system.
