

NUIS

FEATURES AND FUNCTIONS

The modern Nuis Collection is dedicated to living rooms and bedrooms. The simple furniture style is combined with originally shaped handles, whose colour you can change thanks to a double-sided insert (white and wood). The collection is two-tone: modern white in high gloss and natural wotan oak wood. Choose from 12 different modules that will complement the ergonomic design of your home.

wotan oak / mirror-finish white gloss

The asymmetric texture combined with the perfectly smooth surface of the front panels looks really stylish.
